

Bathing service for people living with dementia or limited mobility

Our purpose built personal care room has been designed with a state-of-the-art bath with automatic hoist, showering facilities and full assistance from our trained team

"It has made a great difference to me; it is lovely to wallow in a bath. It has also helped with my skin and my arthritis." **Iris Brand**

ENJOY A SOAK IN THE TUB! Our purpose built personal care room has a mobility friendly bath that can bring back those relaxing opportunities to those who can no longer enjoy a bath at home.

The bathroom can be booked for one hour and assistance can be provided by your own carer or Sage House support staff. The bath can also be part of our Day Breaks package. Please enquire at Reception.

Fully trained female and male support staff are available to assist. Please bring your own bathing products; towels are provided, but you are welcome to bring your own.

"Excellent facility with good space to move around; due to the simple design, any aged carer can assist with the bath." **Heather Glass, daughter and carer.**

Full instructions and assistance are given. The bathroom is used at your own risk.

PRICES:

Assisted Bathing
(Sage House staff) – **£15**

Bathing with own carer – **£8**

Assisted Bathing
(part of Day Care package) – **£10**

(pricing correct at time of printing
September 2018)

Dementia Support, Sage House is a local charity; all charges for our services go back into the running of Sage House and providing dementia support for the local community.
