

Moon River

Moon river, wider than a mile
I'm crossing you in style some day
Oh, dream maker, you heart breaker
Wherever you're goin', I'm goin' your way
Two drifters, off to see the world
There's such a lot of world to see
We're after the same rainbow's end, waitin' 'round the bend
My huckleberry friend, moon river, and me

Can't Help Falling in Love

Wise men say only fools rush in
But I can't help falling in love with you
Shall I stay would it be a sin
If I can't help falling in love with you
Like a river flows
Surely to the sea
Darling so it goes
Some things are meant to be
Some things are meant to be
Take my hand, take my whole life too
For I can't help falling in love with you

Like a river flows
To the sea
So it goes
Some things are meant to be
Some things are meant to be
Take my hand (take my hand)
Take my whole life too (life too)
For I can't help falling in love with you
Take my hand (take my hand)
Take my whole life too (life too)
For I can't help falling in love with you

No, I can't help falling in love with you
Falling in love with you

What a wonderful world – Louis Armstrong

I see trees of green, red roses too
I see them bloom for me and you
And I think to myself
What a wonderful world
I see skies of blue and clouds of white
The bright blessed day, the dark sacred night
And I think to myself
What a wonderful world

The colours of the rainbow, so pretty in the sky
Are also on the faces of people goin' by
I see friends shakin' hands, sayin'
"How do you do?"
They're really sayin',
"I love you."

I hear babies cry, I watch them grow
They'll learn much more than I'll ever know
And I think to myself
What a wonderful world
Yes, I think to myself
What a wonderful world

Any Dream Will Do - Andrew Lloyd Webber

I closed my eyes, drew back the curtain
To see for certain what I thought I knew
Far far away, someone was weeping
But the world was sleeping
Any dream will do

I wore my coat, with golden lining
Bright colours shining, wonderful and new
And in the east, the dawn was breaking
And the world was waking
Any dream will do

A crash of drums, a flash of light
My golden coat flew out of sight
The colours faded into darkness
I was left alone
May I return to the beginning
The light is dimming, and the dream is too
The world and I, we are still waiting
Still hesitating
Any dream will do

A crash of drums, a flash of light
My golden coat flew out of sight
The colours faded into darkness
I was left alone
May I return to the beginning
The light is dimming, and the dream is too
The world and I, we are still waiting
Still hesitating
Any dream will do

Oh, What a Beautiful Mornin' – Oscar Hammerstein

There's a bright golden haze on the meadow,
There's a bright golden haze on the meadow,
The corn is as high as an elephants' eye,
An' it looks like it's climbing clear up to the sky.

Oh, what a beautiful mornin',
Oh, what a beautiful day.
I got a beautiful feelin'
Ev'erything's goin' my way.

All the cattle are standin' like statues,
All the cattle are standin' like statues,
They don't turn their heads as they see me ride by,
But a little brown mav'rick is winkin' her eye..

Oh, what a beautiful mornin',
Oh, what a beautiful day.
I got a beautiful feelin'
Ev'erything's goin' my way.

All the sounds of the earth are like music
All the sounds of the earth are like music
The breeze is so busy it don't miss a tree
And an old weepin' willer is laughin' at me

Oh, what a beautiful mornin',
Oh, what a beautiful day.
I got a beautiful feelin'
Ev'erything's goin' my way.

Hey Jude – The Beatles

Hey Jude, don't make it bad, take a sad song and make it better
Remember to let her into your heart, then you can start to make it better
Hey Jude, don't be afraid, you were made to go out and get her
The minute you let her under your skin, then you begin to make it better
And anytime you feel the pain, hey Jude, refrain, don't carry the world upon your shoulders
For well you know that it's a fool who plays it cool by making his world a little colder

Da da da da da da da da

Hey Jude, don't let me down, you have found her, now go and get her
Remember to let her into your heart, then you can start to make it better
So let it out and let it in, hey Jude, begin, you're waiting for someone to perform with
And don't you know that it's just you, hey Jude, you'll do, the movement you need is on your
shoulders

Da da da da da da da da

Hey Jude, don't make it bad, take a sad song and make it better
Remember to let her under your skin, then you begin to make it better
Na na na na na na na na na na, hey Jude

Yellow Submarine – The Beatles

In the town where I was born
Lived a man who sailed to sea
And he told us of his life
In the land of submarines
So we sailed up to the sun
Till we found the sea of green
And we lived beneath the waves
In our yellow submarine

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

And our friends are all on board
Many more of them live next door
And the band begins to play

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

As we live a life of ease
Everyone of us has all we need
Sky of blue and sea of green
In our yellow submarine

We all live in a yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

Summer Nights

Summer lovin', had me a blast
(Summer lovin', happened so fast)
Met a girl crazy for me
(Met a boy cute as can be)
Summer days drifting away
To, uh oh, those summer nights

Well-a, well-a, well-a, uh!

Tell me more, tell me more
Did you get very far?
(Tell me more, tell me more)
(Like does he have a car?)
She swam by me, she got a cramp
He ran by me, got my suit damp
Saved her life, she nearly drowned
He showed off splashing around
Summer sun, something's begun
But, uh oh, those summer nights

Well-a, well-a, well-a, uh!

(Tell me more, tell me more)
(Was it love at first sight?)
(Tell me more, tell me more)
(Did she put up a fight?)
Took her bowling in the arcade
We went strolling, drank lemonade
We made out under the dock
We stayed out till ten o'clock
Summer fling don't mean a thing
But, uh oh, those summer nights

(Tell me more, tell me more)
(But you don't gotta brag)
(Tell me more, tell me more)
(Cause he sounds like a drag)
He got friendly holding my hand
Well, she got friendly down in the sand
He was sweet, just turned eighteen
Well, she was good, you know what I mean
Summer heat, boy and girl meet
But, uh oh, those summer nights

(Tell me more, tell me more)
(How much dough did he spend?)
(Tell me more, tell me more)
(Could she get me a friend?)
It turned colder; that's where it ends
So I told her we'd still be friends
Then we made our true love vow
Wonder what she's doin' now
Summer dreams ripped at the seams
But, oh, those summer nights
(Tell me more, tell me more)
More, More

Hey Jude – The Beatles

Desmond has a barrow in the market place
Molly is the singer in a band
Desmond says to Molly, "Girl, I like your face"
And Molly says this as she takes him by the hand

Ob-la-di ob-la-da life goes on bra
La-la how their life goes on
Ob-la-di ob-la-da life goes on bra
La-la how their life goes on

Desmond takes a trolley to the jeweler's stores
Buys a twenty carat golden ring (Golden ring?)
Takes it back to Molly waiting at the door
And as he gives it to her she begins to sing (Sing)

Ob-la-di ob-la-da life goes on bra
La-la how their life goes on
Ob-la-di ob-la-da life goes on bra
La-la how their life goes on, yeah (No)

In a couple of years they have built
A home sweet home
With a couple of kids running in the yard
Of Desmond and Molly Jones
(Ah ha ha ha ha ha)

Happy ever after in the market place
Desmond lets the children lend a hand (Arm! Leg!)
Molly stays at home and does her pretty face
And in the evening she still sings it with the band

Yes, ob-la-di ob-la-da life goes on bra
La-la how their life goes on (Ha ha ha)
Hey, ob-la-di ob-la-da life goes on bra
La-la how their life goes on

In a couple of years they have built
A home sweet home
With a couple of kids running in the yard
Of Desmond and Molly Jones
(Ha ha ha ha ha ha ha ha ha)

Yeah, happy ever after in the market place
Molly lets the children lend a hand (Foot!)
Desmond stays at home and does his pretty
face
And in the evening she's a singer with the
band

Yeah, ob-la-di ob-la-da life goes on bra
La-la how their life goes on
Yeah, ob-la-di ob-la-da life goes on bra
La-la how their life goes on

And if you want some fun
Take ob-la-di ob-la-da

I'll be there – Jackson 5

You and I must make a pact,
we must bring salvation back
Where there is love, I'll be there

I'll reach out my hand to you, I'll have faith in all you do
Just call my name and I'll be there

And oh - I'll be there to comfort you
Build my world of dreams around you,
I'm so glad that I found you
I'll be there with a love that's strong
I'll be your strength, I'll keep holding on - yes I will, yes I will

Let me fill your heart with joy and laughter
Togetherness, well that's all I'm after
Whenever you need me, I'll be there
I'll be there to protect you, with an unselfish love I respect you
Just call my name and I'll be there

And oh - I'll be there to comfort you
Build my world of dreams around you, I'm so glad that I found you
I'll be there with a love that's strong
I'll be your strength, I'll keep holding on - yes I will, yes I will

If you should ever find someone new, I know he'd better be good to you
'Cos if he doesn't, I'll be there

Don't you know, baby, yeah yeah
I'll be there, I'll be there, just call my name, I'll be there

(Just look over your shoulders, honey - ooh)

I'll be there, I'll be there, whenever you need me, I'll be there

Don't you know, baby, yeah yeah

I'll be there, I'll be there, just call my name, I'll be there

Dancing Queen – ABBA

Ooh, you can dance, you can jive
Having the time of your life
Ooh, see that girl, watch that scene
Digging the dancing queen

Friday night and the lights are low
Looking out for a place to go
Where they play the right music, getting in the swing
You come to look for a king

Anybody could be that guy
Night is young and the music's high
With a bit of rock music, everything is fine
You're in the mood for a dance
And when you get the chance

You are the dancing queen
Young and sweet, only seventeen
Dancing queen
Feel the beat from the tambourine
Oh, yeah

You can dance, you can jive
Having the time of your life
Ooh, see that girl, watch that scene
Digging the dancing queen

You're a teaser, you turn 'em on
Leave them burning and then you're gone
Looking out for another, anyone will do
You're in the mood for a dance
And when you get the chance

You are the dancing queen
Young and sweet, only seventeen
Dancing queen
Feel the beat from the tambourine
Oh, yeah

You can dance, you can jive
Having the time of your life
Ooh, see that girl, watch that scene
Digging the dancing queen

Digging the dancing queen

(They Long To Be) Close To You - The Carpenters

Why do birds suddenly appear
Every time you are near?
Just like me, they long to be
Close to you

Why do stars fall down from the sky
Every time you walk by?
Just like me, they long to be
Close to you

On the day that you were born
The angels got together
And decided to create
A dream come true
So, they sprinkled moon dust in your hair
of gold and starlight
In your eyes of blue

That is why all the girls in town
Follow you all around
Just like me, they long to be
Close to you

Repeat from on the day that you were born...

End Wa ah ah ah ah
Close to you

Happy together – The Turtles

Imagine me and you, I do
I think about you day and night
It's only right
To think about the girl you love
And hold her tight
So happy together

If I should call you up, invest a dime
And you say you belong to me
And ease my mind
Imagine how the world could be
So very fine
So happy together

I can't see me loving nobody but you for all my life
When you're with me, baby, the skies will be blue for all my life

Me and you and you and me
No matter how they tossed the dice
It had to be
The only one for me is you
And you for me
So happy together

I can't see me loving nobody but you for all my life
When you're with me, baby, the skies will be blue for all my life

Me and you and you and me
No matter how they tossed the dice
It had to be
The only one for me is you
And you for me
So happy together

Me and you and you and me
No matter how they tossed the dice
It had to be
The only one for me is you
And you for me

So happy together
So happy together
How is the weather?
So happy together
We're happy together
So happy together
We're happy together
So happy together
So happy together

On top of spaghetti

On top of spaghetti
All covered in cheese
I lost my poor meatball
When somebody sneezed
It rolled off the table
And onto the floor
And then my poor meatball
Rolled under the door.
It rolled in the garden and under a bush
And then my poor meatball was nothing but mush
The mush was as tasty as tasty could be
And early next summer it grew to a tree
The tree was all covered with beautiful moss
It grew great big meatballs and tomato sauce
So if you eat spaghetti all covered in cheese
Hold onto your meatball and don't ever sneeze

I do like to be beside the Seaside

Oh! I do like to be beside the seaside
I do like to be beside the sea!
I do like to stroll upon the Prom, Prom, Prom!
Where the brass bands play: "Tiddely-om-pom-pom!"

So just let me be beside the seaside
I'll be beside myself with glee
And there's lots of girls besides,
I should like to be beside
Beside the seaside! Beside the sea
Oh! I do like to be beside the seaside
I do like to be beside the sea!
I do like to stroll upon the Prom, Prom, Prom!
Where the brass bands play: "Tiddely-om-pom-pom!"

So just let me be beside the seaside
I'll be beside myself with glee
And there's lots of girls besides,
I should like to be beside
Beside the seaside! Beside the sea
