Aim for the bullseye and go for gold!

You may not have seen your team for a while, or you might just want an excuse to get together! As the weather begins to cool and the warm autumn tones blend into winter, it's a beautiful time to enjoy some time out of the office together.

Your team's day with us will include:

- A selection of outdoor activities to choose from including Bushcraft, Archery, BattleZone and High Ropes
- Cook your own hot lunch over an open fire to warm up your cockles
- Tea, coffee and biscuits throughout the day
- Fleece layers for those that require a little extra warmth. And extra waterproofs if required just in case of a Great British drizzle!
- Expert instructors to keep you safe and entertained
- An indoor cabin space to use if required
- Your very own event organiser who will sort everything for you before the event
- Beautiful New Forest surroundings for a day in the outdoors
- A clear programme with a breakdown of how your day with us will run (including kit list!)

**£79 includes buffet lunch. Minimum of 8. Breakfast on arrival available for an extra £5 per person.*

Reaching New Heights

Turning "I can't" into "I can."

“This is either our fifth or sixth time with New Forest Activities. I deliberately wanted to come back because I have seen how much of a difference this whole day’s worth of activity has made in bringing people closer together.”

Mike Evans

FAQ’s

What happens if the weather is bad?

Our activities go ahead in almost all weathers, and our instructors are experts at maximising the fun, even in the rain. We also have extra layers and waterproofs available to ensure that you’re set for a day in the great outdoors (no matter the weather!)

What are the minimum and maximum numbers?

We require a minimum of 8 people for our team building events. When it comes to our maximum number, we’re yet to reach our limit. So get in touch, and we’ll see what we can do.

My team is varied in age and ability. Will they all enjoy it?

They sure will! We cater our sessions to suit the needs and ability of *your* team. We also work on a ‘Challenge by choice’ basis, which means that participants need only take part as much as they feel comfortable to.

Is there free parking?

Yes! We have free parking at our ropes course site where our Winter Warmer team building days take place, with provisions for coach drop offs as well.
