

Youth Group Activities

Enriching the lives of young people

Providing first class activities for young people.

Bushcraft Workshops

Learn foraging, shelter building and fire lighting.

New Forest Activities has been established for over a decade, offering new and exciting activities in the heart of the stunning New Forest National Park. Over the years we've worked with a large number of youth organisations and charities, providing them with first class activities for young people.

We are extremely proud of our ongoing relationships with such organisations as the **Prince's Trust**, the **Saints Foundation** and the **National Citizen Service** (to name a few!)

With every instructor trained to our high standards and all activities **uniquely** tailored to the needs of the group, we pride ourselves on offering the best activities and experiences. You can choose from our extensive range of outdoor activities, all of which are well suited to different ages and abilities.

From enquiry through to delivery, it couldn't be easier to organise your next youth group event with us. Our friendly office team will be on hand to help you from start to finish, ensuring that your event runs as smoothly as possible. Let's get planning!

Canoeing

Explore the stunning Beaulieu River.

Low & High Ropes

Get your group working together.

Who's it for?

Scouts & Guides

Half day, full day or overnight camps can make your Scout or Guide trip one of their best yet. They can master skills that are essential to their development as a Scout or Guide. Learn to light fires, build shelters and more!

Duke of Edinburgh

We can offer bespoke activities and challenges to support the Duke of Edinburgh Award. Led by our fully trained team, this includes Bronze, Silver and Gold awards.

Sports Teams

Your sports team train hard so why not reward them with some fun activities? Lots of our activities are great for team building and will encourage your group to work together.

After School Activities

After school clubs and activities are a great way to get kids to socialise, try something new and get them active. Regular activities can also help them focus in the classroom.

Youth Organisations

We have worked with numerous youth organisations over the years including the Princes Trust and the National Citizen Service. Outdoor activities are a great way to build a relationship and rapport with young people, as well as providing them with a space to flourish. Whatever your specific outcomes are, we can tailor our activities to suit your groups needs.

★★★★★

Flexible to meet our Scout group's budget, flexible to accommodate shifting numbers, flexible on the day to meet the needs of the group and respond to weather conditions. Overall, first class.

Smiles All Round

Delivering experiences they'll remember for a lifetime.

Stable Canadian Canoes

Support each other whilst navigating the river.

Canoeing

Using 2-3 seater stable Canadian canoes, come and explore the Beaulieu River Nature Reserve. Small teams will need effort and understanding to get where they need to be. Fully guided, our activity instructors will teach your group the fundamental paddling techniques needed to navigate the river.

Paddle Sports

Located on the banks of the tidal and privately owned Beaulieu River, both our Canoeing and Kayaking bases offer up wonderful locations to explore. Head up or down stream, drift on tidal currents or explore the hidden creeks and waterways of the river's nature reserve.

All of our Canoeing and Kayaking sessions are expertly guided by our knowledgeable activity instructors. Your group will be taught the fundamental paddling techniques needed to successfully navigate the river as well as learning about its history and the wildlife that calls the Beaulieu River Nature Reserve home.

Exploring since 2003, your group will benefit from our many years of guiding people on the Beaulieu waters. Whether you opt for stable touring kayaks or open Canadian canoes, your group will be provided with all of the equipment and guidance needed to learn about and develop their paddling skills, whilst having fun of course!

Kayaking

Single seater touring kayaks are stable and beginner friendly, with the Beaulieu River offering a wonderful setting for those looking for their first taste. With the option for journeys and expeditions as well as further training and qualifications, there's plenty on offer when it comes to this exciting watersport.

Sit on top kayaks also available.

Touring Kayaks

Learn and develop paddling techniques.

Sea Kayaking

All equipment provided, great for beginners.

Sea Kayaking

Looking to develop your groups paddling skills ready to go out in sea environments? Taking place on a calm river environment (a great place for skills development!) our knowledgeable and experienced instructors will be on hand to get you kitted up as well as provide you with coaching, guidance and tips for improving your paddling during this beginner friendly session.

Fire Lighting

Gather dry materials and learn to use fire strikers.

Bushcraft

Bushcraft offers interesting and hands on activities. This could be anything from building shelters and fire lighting to foraging and tracking. Choose to prepare meals, cooking your lunch over the fire. Bushcraft and camp skills are all about learning to be equipped and comfortable outdoors.

Woodland Activities

Over the years as New Forest Activities has evolved, our activities have spilled into the woodland surrounding Beaulieu. We have a variety of sites set up for a range of exciting land based activities.

Our main woodland site known as Hartford Woods can be found tucked away behind the National Motor Museum and is home to our Archery, Bushcraft, high and low ropes.

Fantastic for personal development and for really honing and perfecting new skills. Sessions begin with a briefing and our activity instructors will demonstrate the correct and safest way to carry out your chosen activity. The group will then put what they've learnt into practice, with constant mentoring and feedback throughout.

Or for something a little more team orientated, BattleZone is great for groups looking to improve communication skills, planning and general camaraderie amongst teammates.

BattleZone

Our combat game activity uses infra-red gaming technology meaning unlike paintball, there are no projectiles and no pain. During gameplay our guns offer instant hit feedback. Teams will need to create communication channels and learn how to play their part. A great activity to promote team spirit amongst your group.

Archery

Learn the art of Archery and test your new skills through a variety of fun scoring challenges and competitions. All sessions begin with your instructor demonstrating the correct techniques for handling a bow. They'll then be on hand throughout to provide constant mentoring and feedback to help improve your skills.

Archery Challenges

A well placed stance is needed for a successful shot.

BattleZone Laser Tag

Much like paintball but with no mess and no pain!

High All Aboard
Ascend to new heights together.

High Ropes

Tucked away in the woodland, the high ropes creates an ideal environment for building confidence. Positive encouragement accelerates personal growth and capacity for challenge. Groups can cheer each other on as their buddies navigate the various obstacles suspended high up in the trees.

Ropes Course

We operate the philosophy of 'challenge by choice' at our Ropes Course whereby people are given the various options and choices available to them and they can choose how far or how high they'd like to go.

This gives groups the opportunity to overcome their own personal goals, turning "I can't" into "I can." At the same time, we like to move away from the peer pressure that can often arise from challenges such as this and we encourage young people to support their peers instead.

As well as offering a wide variety of fun and inclusive challenges, our ropes course activities provide young people with lots of opportunity to learn. This can be anything from communication skills and problem solving to simply learning the correct way to tie a knot.

We can tailor our ropes course activities to meet your aims, objectives and the desired learning outcomes for your youth group.

Low Ropes

Exercises are comprised of swings, bridges and obstacles for the group, everyone needs to pull together. Challenges are designed to develop team work and group support. Our obstacle courses offer up lots of opportunity for fun, all of which can be found under the woodland canopy.

Low Rope Challenges
Various team obstacles under the woodland canopy.

Nightline
Work together to build a tower as tall as the trees.

Team Challenges

A variety of mental and physical challenges that require groups to solve problems and work together. Stack crates, scale walls and navigate the spider's web, all of which are great fun and really bring a group together.

Low Ropes and Team Challenges usually combine into one activity.

Archery
Learn a brand new skill.

BattleZone
Working as a team.

Residential Trips

Ideally situated in the heart of The New Forest near Beaulieu Village, our private, dedicated campsite can sleep youth groups numbering up to 60 people. We have comfortable and spacious bell tents available which you can kit out with your own camping kit, or you can bring your own tents!

Available from April to September, the camping is positioned centrally amongst our activity sites. Minibus transfers are a quick 10 minute return transfer between activity sites and campsites, with some even accessible by a 30 min walk.

Our dedicated Youth Group Coordinators will work closely with you to build you a residential trip to remember. Not only will it be injected with fun and create long lasting memories for your students, but we'll make sure it delivers what you need it to deliver.

Minimum of 2 nights required. Depending on numbers, you may be sharing the campsite and its facilities with other youth groups.
