

CAPITAL COMPACTORS & BALERS

Minimise Your Waste **Maximise Your Savings**

C605 Vertical Baling Press

Specification

Our C605 Vertical Baling Press is ideal for those seeking to minimise the space taken up by waste products and make it more manageable.

With fast cycle time, large loading aperture, heavy duty compaction and low noise levels, our C605 Vertical Baler is also the perfect choice for those keen to reap the benefits of recycling whether improving your carbon footprint or receiving payment for any recycled materials.

The balers are easy to operate, safe to use and backed by a network of our own engineers to ensure maximum reliability.
