

CAPITAL COMPACTORS & BALERS

Minimise Your Waste **Maximise Your Savings**

Free-Standing Comb Bin Lift

Specification

Our Free-Standing Traversing Comb Bin Lift is ideal for those seeking adapt existing waste compaction machinery to accept heavy bins or for use with an open container.

With fast lifting time and low noise levels, our Free-Standing Traversing Comb Bin Lift is also designed to lift a wide array of different types of bins.

The bin lifts are easy to operate, safe to use and backed by a network of our own engineers to ensure maximum reliability.
