We've pulled together activities that not only compliment each other, but that will also make organising the logistics of your day a piece of cake!

PACKAGE 1

Canoeing and Laser Tag

Suitable for teams of **up to 20 people** (or 40 for those happy for the group to split up and swap throughout the day).

BattleZone Laser Tag

More accurate and fun than paintball with no mess or pain! This laser tag combat game uses infra-red gaming tech rather than projectiles so you'll never run out of ammo, and you'll leave bruise free!

Canoeing on the River Spey

After fuelling up, it's onto the water to explore the beautiful River Spey. You'll need to work together effectively to paddle a canoe. Meander along the river's calm waters taking in the sights and spotting the varied wildlife that calls the river home.

Archery and Mini Highland Games

Your morning will consist of 90 minutes on our Archery range taking part in some fun scoring games and challenges before your 'clan' goes head-to-head during our Mini Highland Games to toss cabers, hurl shotputs and wang wellies!

Gorge Walking

After a hearty buffet lunch we'll get you suited up and head into the gorge for an exhilarating Gorge Walking experience. Support one another as you scramble, swim and clamber up waterfalls, gullies and chutes!

PACKAGE 2

Archery, Mini Highland Games and Gorge Walk

Suitable for teams of **up to 16 people** (or up to 32 for those happy for the group to split up and swap throughout the day).

High Ropes

Support your colleagues from the air or from the ground as you take part in a variety of obstacles and challenges suspended on our purpose built ropes course.

Problem Solving and Raft Building

Your team will take part in a variety of exciting problem solving tasks to earn materials to build your raft, including planks, ropes and barrels. Then it's time to test your raft building skills before taking to the water! Will your team sink or swim?

PACKAGE 3

High Ropes, Problem Solving and Raft Building

Suitable for teams of **up to 20 people** (or up to 40 for those happy for the group to split up and swap throughout the day).
