Harrod House is open for business

from **Pete Clarson**

Harrod House, our new branch in Carlton opened its doors to clients on 2nd January 2018.

The new funeral home, which is just a short distance from our old office has retained the Harrod name in memory of Gerald Bernard Harrod who was a well-respected employee and member of the community in Carlton. Gerald will be remembered by many who worked with him as ‘one of life’s gentlemen’.

The new funeral home has been carefully developed to offer an exceptional level of care and service for families and their loved ones. As well as being a large, modern building with good client parking and access, the new premises provides spacious, well equipped and modern facilities for both arranging and visitation.
