Alford House is a Youth Club in North Lambeth. For over 125 years it has provided young people with a safe and secure educational and recreational environment.

Exciting and extensive developments to its premises are planned to meet the growing needs of its members and the dedicated staff who work tirelessly to provide the model facilities and security that the Club offers.

Planning permission for these ambitious improvements has been secured and the first phase is now well under way demonstrating the commitment of the Governors of Alford House to achieve its current objectives and business plan. Alford House has a successful tradition of funding its day to day activities through grant-making bodies, the Lottery and other gifts. However to complete the new facilities and secure long-term financial sustainability, the Governors have set a target of £4m. They are seeking to recruit an able and innovative person to lead the fundraising.
